A copy of the reply recd from the former has been sent and it will be seen therefrom that every facility is afforded to the Purushakaris (Staniks) to initial the Archana Register, whenever they or the Archana & sevas & certificates are granted when so required. The amount to be remitted ~~was~~ to the temple on account of fee is stated to be Rs 22/- for the current fasli, inclusive of monthly certificate post card charges (0-6-0). Sir,

Referring to Government Order No.406-07/Muz.32-23 dated -- 15th September 1924 directing the continuance of Stanik Ramaswamy Iyengar as the local Agent for the performance of the State Sevas in the Sri Ranganathaswami temple at Srirangam, I have the honor to state that the stanik was informed accordingly and he was asked to report the period both in Fasli 1333 and 1334, he performed the sevas with a view to remit the Tasdik grant due, if any. The Executive Trustee was also written to. While the Stanik asserted that the State sevas were regularly performed, the Executive --- Trustee says quite the contrary (vide copy of the Executive -- Trustee's letter of 10-11-24.) The Stanik was questioned in the matter vide this office No.37 of 23-24 dated 3-12-24 (copy enclosed) He complains of certain delicacies in the way of his getting at the book in which he is requested to initial every day in token of ---- having performed the sevas and with reference to which the Executive Trustee issues the requisite certificate. He has been told that the plea cannot at all be accepted and he should conform to the -- Devastanam rules and that it is only on the strength of the Executive Trustee's certificate that the Tasdik would be remitted to him, while the temple fees would be sent to the temple authorities direct. The Executive Trustee also has been requested to afford all facilities to the Stanik to initial in the Register kept for the purpose. -- Copies of the communications sent to-day to the Stanik and the ---- Executive Trustee are appended for kind perusal.

On receipt of their replies, temple fees and proportionate tasdik to enable sevas being performed during the remaining months of the current fasli year will be sent and the arrears of tasdik due if any will be paid to the Stanik only on satisfactory proof of the conduct of the sevas.

In future, if there is no objection, a quarter's tasdik will be sent in advance instead of for the year or half year so that a large sum may not be outstanding against the Stanik and the Government may not be losers to that extent in the event of remissness on the part of the Stanik as in the past.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

"With reference to your No.C.37 of 23-24 dated 6-11-1924, I have the honor to state that I have already sent in my (copies herein enclosed) reply to the above references dated 28-9-23, but that I have not received your memo dated 24-9-1924. Stanik Ramaswamy Iyengar is not doing any Archanai etc., since 17th July 1924 for fasli 1334 and has not taken out the usual permit for doing Archanai. He took out a permit on 5-6-24 to do Archanai up to the end of fasali 1333 only, viz. up to 16-7-24. I have also already reported about him."

Memo No.C.37/23-24 dated 3-12-24 from the Muzrai Commissioner in Mysore to Stanik Ramaswamiyengar, 366, North Chittra Street, Srirangam

---

With reference to his petition dated 20-10-24 stating that the -- State Sevas are conducted regularly for the fasli 1333 and 1334 and --- requesting remittance of the Tasdik amount for 23-24 and 24-25, Stanik Ramaswamiengar is informed that the Executive Trustee of the Srirangam temple has reported that no Archanai etc., is being done since 17-7-24 and a permit was taken on 5-6-24 for Archana current up to 16-7-24 (end of Fasli 1333). From the previous report of the Trustee it is seen that Archane was done only for a few days as noted in the margin during the

during the whole year Fasli 1332 i.e., 1922-23. As such he will explain how he can substantiate his claim for the Tasdik. On the other hand he has to refund a portion of the sum of Rs.100/- deducting therefrom the fee paid to the temple. The payment of fees to the Archaks is no evidence of having conducted the Archane. The facts brought to light show that the Archaks have been paid for nothing at all. The non-performance of Archana is a grave mistake. He should explain why he received the tasdik amount, without performing the --- Archana. As regards arrangement for the future, he should state what -- guarantee or security he would give as to the satisfactory and regular conduct of the Archana. On his furnishing satisfactorysecurity, the -- amount of tasdik required for the Archana during the ensuing 6 months of the year will be drawn and remitted to him, while the temple fees will be remitted to the temple authorities direct. Further payment of tasdiks will depend upon half yearly certificates from the temple Trustee.

His reply is expected in this office by December 10th."
